Local Boys To Compete At San Pedro

Results of the football passing, receiving and punting contests, held recently at the city park under the auspices of the Torrance Recreation Department, show that the following boys are eligible to represent Torrance at the harbor area championships to be held next Saturday, Oct. 13 at Daniels Field, San Pedro at 10 a.m.:

Paul Moser, Harry Theodosis, Jack Taylor, Thomas Faren, Jim Taylor, Jack Faren, Frank Schmidt and James Turner. The boys will compete against the high scorers of the various playgrounds of the harbor district Saturday and the winner in each of three divisions will be given a certificate of award which proclaims him to be the 1945 champion for the entire harbor district.

The local boys are closely grouped in their scoring and anyone of them could bring home the bacon. It is hoped that the boys make a clean sweep of all divisions. Boys having an inside edge to do this are: Moser, Senior division; Faren, Junior division; and Taylor, in the Midget division. Boys should bring a lunch and be at the park recreation building not later than 9 a.m.

Spooks And Goblins Due In Torrance

Spooks and goblins will be on the loose in Torrance on Halloween night, but not for mischief but for fun and for prizes.

Sponsored by the Torrance Recreation department and Tartar Town, Halloween parade and stunt night is being planned for Oct. 30.

The parade of the goblins will be divided into three divisions, elementary, junior high and senior high school. There will be prizes for several classifications in each division, such as the most horrible, the most original, the best, the homeliest and others, according to Recreation Superintendent Dale Riley and Secretary Ted Meier, of the Y.M.C.A.

Stunts will be under the supervision of Tartar Town, and more details will be announced in the next issue of the Torrance Herald.

Turf Club Fetes Torrance Army Hospital Patients

Many of the patients at the Torrance Army Hospital have been guests of the Hollywood Turf Club recently.

These patients report an excellent day at the races, (Entertainment only—not wins) meeting many of the top movie celebrities and climaxed their day with dinners and parties given by the club members.

WOMEN BETTER HUNTERS? Of the 291 antelope reported killed for this season, slightly better than twenty-one per cent were taken by women, J. S. Hunter, chief of the Bureau of Game Conservation, states.

NOTARY PUBLIC Frank M. Jordan, secretary of state, today announced a notary public commission had been issued to A. Russell Lund, 1407 Marcelina ave., Torrance. Lund is associated with J. Stanley King in the Torrance General Insurance Agency.

TARTAR NOTES

By Bob Everts Jim Standifer, local high school student, has received an honorary membership in the Lions' Club. Jim is the captain of the Tartar Knights, an honorary society at the high school, and first string guard on the football team. Every Tuesday noon Jim attends a luncheon at the Lions' Club. He takes an outstanding student as guest of honor.

New Art Courses Miss Mary Patricia Anderson, T. H. S. art teacher, is planning a more extensive art course. This course will include cartooning, commercial art, stage art and free hand classes.

Boys' League Bill Rogers was elected president of the Boys' League last Friday. It was a close race between Bill and Don Teske, two ballots having been taken. Bill is first string center on the varsity team and maybe because of this a little better known to the scrubs. Don is varsity yell leader and will be well known for his ability as a basketball player.

New Senior Tradition Although this isn't official, the senior classes of '46 want to make the park in front of the school the official luncheon and meeting place for seniors. The park would be under school supervision at all times and would be kept orderly by the students—themselves, or they would have to relinquish their rights to the park. This proposal has been sent before Fred Blake, park commissioner, by Ralph Jakubowski, chairman of the senior tradition committee. All in all it seems a good idea for Torrance High needs more traditions, for what is a school without traditions?

News-Torch The Torrance News-Torch, or Torrance High official news organ, and your own Herald little cousin, started this semester off with a bang. The co-editors, Myrna Fossum and Bill Jackson have completely revised the paper and hope to stimulate a new interest in journalism throughout the Tartar halls. They are always urged on by their advisor, Miss Irene Mills, who is head of the English department. The paper is printed with the help and under the direction of the print shop teacher, Mr. Hamilton.

ON NEW ASSIGNMENT William R. Malin, seaman, 1/c, returned recently to San Francisco following a 25-days' leave with his mother and other family members at 1870 Plaza del Amo. The young seaman serving as armed guard on a merchant marine ship, had just returned from a voyage around the world and will receive his next assignment at Treasure Island.

IN MEMORIAM—For Mildred Marilyn Menzies, who passed away October 4, 1944. A VOICE FROM HEAVEN I shine in the light of God, His image stamps my brow; Though the shadows of death my feet have trod, And I reign in glory now, No breaking heart here, No keen and thrilling pain, No wasted cheek where burning tears Hath rolled and left its stain. I have found the joys of heaven; I am one of the angel band; To my head a crown is given, And a harp is in my hand; I have learned the songs they sing, Whom Jesus hath made free, And the glorious walls of heaven still ring With my newborn melody.
